## Frank J. Mercer

**By Strong Funeral Home**

NEW HARBOR (Feb 28, 2006): Frank J. Mercer, 85, died Feb. 25, 2006 at Cove's Edge Nursing Home in Damariscotta after a long series of illnesses.

He was born May 2, 1920 in Paterson, N.J. He graduated from Paterson Technical High School, majoring in Jacquard design. He later did post-graduate school in tool and cutter grinding. He worked for Wright Aeronautical Corp. in Paterson from 1938 to 1948, transferring his skills to Brown and Sharpe Manufacturing Company in Rhode Island. For 35 years he remained at Brown and Sharpe, retiring in 1983 as superintendent of the cutting tool plant.

During those years, his job took him and his wife Ruth to Illinois, where he served as district sales manager for the Midwest to the West Coast. Wanting to be back in manufacturing, he returned with his wife to Rhode Island in 1965, where they remained in their Cumberland home until retiring. While in Cumberland, they were active members of the Arnold Mills Methodist Church, where Frank served on the finance committee. He was also a charter member of the Cumberland Preservation Society.

Frank became a Mason more than 50 years ago, in the Beethoven Lodge 154 in Paterson. Upon moving to Cumberland he became a member of the Lafayette Lodge 47, serving as master from 1975 to '76. His Masonic

life was very important to him and after coming to Maine, he became a member of the Bristol Lodge 74 and was recently honored with a 50-year pin.

A gourmet cook, he remained active in retirement, planning and growing his large vegetable garden and remodeling his home. He was a charter member of CHIP and active with many of its projects. A member and past president of the Bristol Lions Club, he also loved his part-time work at the Pemaquid Lighthouse, which afforded him the opportunity to meet people from all over the world. He was also a member of the Bristol Mills Congregational Church.

Paul D. Merriam, 94

ROCKLAND -- Paul D. Merriam, 94, husband of the late Doris Blackman Merriam, died peacefully Sunday, Aug. 20, 2006, at the Homestead in Owl's Head where he had resided for the past two years.

Born in Belmont, Mass., Feb. 3, 1912, he was the son of Parker Small and Hattie Emery Merriam. Spending most of his youth in Owl's Head, Paul was a 1930 graduate of Rockland High School and attended the University of Maine.

He worked at the Rockland Post Office for 31 years, first as a clerk in the finance office and later as Assistant Postmaster. He retired in 1971 but continued his active life in civic affairs, in his church, and as a volunteer in numerous local organizations for the next three decades. Both before and after retirement, this included the First Baptist Church of Rockland where he sang in choir and with the men's quartet and served as church treasurer for several years. He was a member of local Masonic bodies of Rockland, serving as Master of the Rockland Lodge of Masons and as member of the King Solomon Temple, The Scottish Rites, the Maine Consistory. As a founding member of the Rockland School District, which was responsible for building Rockland's two new elementary

schools in the 1940s and 1950s, he was elected to each successive term and served as its only treasurer until 1959 when MSAD 5 was formed to replace it. He was also a founding member of the Shore Village Historical Society (now the Rockland Historical Society), a trustee and treasurer of the Rockland Cemetery Association, a trustee of the Northeast Health Foundation, and a member of the Rockland Kiwanis Club for many years. He also served on numerous civic and municipal boards and committees. In 1978 he was honored by receiving the Rockland Jaycee's Annual Distinguished Service Award.

Paul loved the outdoors and nature, especially the woods and the shore. His children remember fondly the Sunday afternoon walks with him in the woods and along the shore where he taught them where to find spruce gum and many other things about Maine's natural environment. This love of the natural world was also reflected in his long-time membership in the Midcoast Audubon Society and the Oyster River Bog Association, for both of which he served as a trustee. Retirement afforded him an opportunity to spend much more time outdoors, especially in the woods at the Owl's Head Transportation Museum where he was an early member. There, almost single-handedly, he created, marked and maintained a system of trails and quiet clearings in the woods on both sides of the entrance road.

In 1976, the directors of the museum honored him by dedicating
