Rockport Masonic Center, Rockport, Maine

November 18 2017

A Special Communication of the Grand Lodge of Maine was held on Saturday, November 18, 2017 at Rockport, Maine for the purpose of consolidating Amity Lodge #6 and St. Paul's Lodge #82 into Federal Lodge #6.

Grand Lodge was opened in Ample form at 11:15 AM by Most Worshipful Thomas E. Pulkkinen, Grand Master of Masons in Maine at the Rockport Masonic Center, 361 Main Street, Rockport, Maine.

After a fine meal, VW Richard Nadeau, Grand Marshal, formed a procession of the Grand Lodge Officers in attendance. This included Grand Master Pulkkinen; Deputy Grand Master, RW Mark Rustin; Senior Grand Warden, RW Rufus Cox; Junior Grand Warden, RW Kenneth Caldwell; Past Senior Grand Warden, RW Richard Rhoda; Past Junior Grand Warden and District Deputy Grand Master, RW C. Herbert Annis; Past Junior Grand Warden and current Grand Lecturer, RW Brian Messing; Grand Secretary, RW Daniel Bartlett; District Deputy Grand Masters, RW Elwood Doran (7) and RW Michael Pratt (15); Past District Deputy Grand Masters, RW Alexander Lyle III (7) and RW Keryn Annis (7); Grand Chaplain, RW W. After introductions, Public Grand Honors, and a prayer offered by the Grand Chaplain, Grand Master Pulkkinen asked for comments from members of the lodges. RW C. Herbert Annis provided a brief history of the two lodges from 1799 to the present day. RW Sukeforth added the origination and history of using the name Federal Lodge as it was the original request to the Grand Lodge of Massachusetts but when the Charter came back it named the lodge Amity as there already was a Federal Lodge in Massachusetts. W Robert Smith, W William Chapman and RW Messing offered their thoughts on the name change and the importance of remembering the original lodges. Deputy Grand Master Rustin urged the members to look ahead, be forward thinking and not governed but enlightened by the past. Grand Master Pulkkinen spoke about the members of the Fraternity whose names are on the original Charter and some of those Brothers were from St Andrews Lodge in Massachusetts and may have been involved in the infamous Boston Tea Party. He encouraged the members to strive to be leaders in their lodge and beyond.

Grand Master Pulkkinen then directed the Grand Secretary to read the documents pertaining to the consolidation request of the lodges. After

receiving the Charter, records, monies and regalia of St Paul's Lodge, he attended the Bibles at the altar and closed the Bible of St. Paul's Lodge. He then proclaimed that Amity Lodge #6 and St. Paul's Lodge #82 were now consolidated into Federal Lodge #6. The Grand Marshal made an official proclamation uniting the Lodges into one.

Grand Master Pulkkinen then proceeded with the installation of the new Officers. The following elected and appointed Officers were installed

Worshipful Master, RW C. Herbert Annis; Senior Warden, W William C. Chapman; Junior Warden, W Joseph A. Corrado; Secretary, RW Jeffery Sukeforth; Treasurer, Br Mark Sieganthaler; Senior Deacon, Br Jon Tohanczyn; Junior Deacon, Br James Lent; Senior Steward, Brendan Moriarty; Chaplain, RW Keryn P. Annis; Marshal, RW Alexander G. Lyle III; Historian, RW Jeffery Sukeforth and Tyler, W Howard A. Simonton, Jr.

MW Thomas E. Pulkkinen installed the Worshipful Master and remaining officers installed by their Grand Lodge counterpart. The Master's Charge was given by Grand Marshal, VW Richard Nadeau, the Charge to the Wardens given by Senior Grand Warden, RW Rufus Cox and the Charge to the Craft given by DDGM RW Elwood Doran. The Official Proclamation was given by VW Nadeau.

The newly installed Master, RW C. Herbert Annis spoke briefly, encouraging younger members present to stay involved, recognized his lovely wife, Grace as well as Brother Charlie Briggs, Grand Organist for traveling from Massachusetts to provide musical accompaniment for this special event.

Grand Master Pulkkinen spoke of his travels to England for the 300th anniversary of the United Grand Lodge of England and the excitement of having 4500 Masons in one room at Royal Albert Hall. Finally, he encouraged the members of the new lodge to enjoy lodge, be involved and undertake the Masonic Excellence Award program.

Grand Master Pulkkinen then closed the Special Communication of the Grand Lodge of Maine for the purpose of consolidating Amity Lodge #6 and St. Paul's Lodge #82 into Federal Lodge #6 in Ample form at 3:20 PM.

Grand Master's Address to the Craft

To the Members of the Grand Lodge of Maine

I am pleased to present this account of the undertakings and the condition of the fraternity as required by the Grand Constitution of the Grand Lodge of Maine. This report is the basis of my comments to the Craft at the Annual Communication, and was discussed with the Advisory Board at its meeting in April.

While many issues important to Maine Freemasonry have received considerable attention over the past year, six were most prominent. Two related to the strength of our fraternity – Building Membership and Strengthening Masonic Education. Three were critical to our Charitable Foundation – Increasing Fundraising, Providing Masonic Relief and Protecting Children. The last area addressed was the business side of Freemasonry, the substantial exposure to the fraternity and its building associations by noncompliance with regulations, and most particularly by not properly Insuring Masonic Properties. These matters are addressed in this report, which also notes other issues being worked on or needing further attention.

Strengthening Our Fraternity

Over the past year, the Grand Master and Deputy Grand Master have visited many Lodges that have been struggling to regain vitality and relevance in their communities. We and the Grand Wardens have encouraged the formation of District Associations that might strengthen local Lodges and the actualized value of Freemasonry. And several District Deputy Grand Masters have worked tirelessly to address long-standing issues within their Districts.

District Associations are now operating in most Masonic Districts. They are helping to coordinate activities, inspire action, confer degrees, encourage attendance and sponsor educational opportunities. A path forward has been suggested to several Lodges. Lodges like Katahdin Lodge in Patten are effectively addressing a variety of issues that will result in stronger Lodges. Others Lodges need to take action on a variety of issues that hinder the vibrancy of their Lodges; as well as a few that are operating in violation of their bylaws and the Grand Constitution as they don't have enough Brothers attending their meetings and may suffer the loss of their charters if actions are not taken in the near term.

Building Membership

The declining number of men joining Freemasonry continues to be the most significant area requiring the ongoing, unwavering and focused attention of a dedicated team of Masons at the Grand Lodge level, and even more critically by Lodge leaders and members. The traditional target for gaining new members has been 5% per year, or a goal of replacing membership every 20 years. With the Craft having an average age of 64 statewide (and 70 or more in 10 Lodges), it's easy to understand the essential nature of achieving that new member target. Based upon current membership of around 16,500, 5% would be 825 new Master Masons.

To put that 5% goal into perspective, 825 new members equates to less than five new members per Lodge on average, or one new Brother being sponsored by each of the top five elected officers of each Lodge. For a Lodge with 50 members, 5% equates to three new Master Masons; for Maine's largest Lodge, Lygonia, it means 20 new members each year.

Membership data filed by Lodges for 2017 indicate that only 239 Brethren (1.4%) were raised in 2017 and 74 Lodges (41%) didn't raise a single candidate last year, up from 67 Lodges (37%) in 2016; 23 Lodges have not raised anyone in three years. Only 10 Lodges raised five or more candidates in 2017 and only one (Lygonia Lodge with 401 members) raised more than 10 (13 new Master Masons, 40% below the 5% target).

The depth of the need to continuously work on membership was affirmed when planning the District-wide degrees on Masonic Day in Maine – April 7, 2018. Several Districts reported that none of the District Lodges had any candidates for the Master Mason Degree, or for either an Entered Apprentice or Fellow Craft Degree.

Building interest in Masonry and attracting prospective Brethren will take hard work, with everyone being open to trying both proven and new approaches to attract and retain members, and early 2018 membership data demonstrated that there is a rejuvenation occurring in Maine Freemasonry.

While only two Lodges raised more than six candidates in all of 2017, a different and exciting picture is emerging in early 2018 when ten Lodges had ten or more candidates and another 18 Lodges had four, five or six candidates in the first four months of the year.

17 candidates – Triangle Lodge

13 candidates – Meridian Splendor Lodge

11 candidates – Webster Lodge

10 candidates – Belfast Lodge

9 candidates – Jonesport Lodge

8 candidates – Meridian and Monmouth Lodges

7 candidates – Arundel, Ashlar and Lynde Lodges

6 candidates – Bethlehem, Howard and Village Lodges

5 candidates – Cumberland, Greenleaf, Herman, Monument, Mystic, St. Aspinquid and Tuscan Lodges

4 candidates – David A. Hooper, Nollesemic, Oxford, Saco, Seabasticook, Tranquil, Tyrian and York Lodges

Fellowship Nights Grand Lodge continues to strongly emphasize the importance of holding Fellowship Nights to systematically identify and attract good men for the Craft. These events have also demonstrably proven to be a successful tool for getting the Craft back to work and returning Brothers to Lodge.

More Lodges around the state are now holding Fellowship Nights, including events cosponsored by Lodges in the same or contiguous Districts. One recent event resulted in more candidates in the host Lodge than have been raised in the past three years. Another Lodge in what is considered to be an economically distressed community has four candidates versus three in the past three years. While this is only anecdotal evidence of the value of hard work and Fellowship Nights, history shows that they are very successful when Lodges follow the approved Grand Lodge plan for such events.

Reconnecting with Former Masons and Candidates Too often Lodge meetings lack substance and new Masons aren't given an opportunity to become involved. Candidates are told: "We'll assign someone to work with you to learn the ritual" – but then nothing happens and the Lodge doesn't see the candidate again. The Masonic experience sometimes doesn't meet candidate/member expectations, or rise to the promised value we describe to prospective Masons. Brethren skip one meeting, then another... In many cases, the only time Brethren hear from their Lodge is via the annual dues bill. Brethren move away and Lodges lose track of them. Often life changes – either family or job demands, or personal finances – don't allow a Brother to maintain an active membership.

As a result of these circumstances, many Brethren leave the Craft, but often have a lingering desire to return...if only asked. If Lodge members showed that the Brethren were missed and were truly cared about as valued members of our Brotherhood, many would return. Every Mason should take an introspective look at his Lodge to see if any of these situations may be affecting the health and vitality of his Lodge, and causing Brethren to leave and not recommend Freemasonry to their friends.

The Grand Master wrote to nearly 4,000 Masons in August 2017; to candidates who had not completed the degrees and to Brethren who had demitted or were suspended for non-payment of dues. A Grand Lodge search of the Post Office data base determined that nearly 15% of the Brethren had moved – no wonder why they went NPD or could not be contacted for a degree; the membership database was updated for these changes. Lists of contacted Brethren were mailed to Lodges, who were urged to contact the Brethren and remit old dues; just charge for the current and the following year.

- 1) As of this date, and the number of returning Brethren continues to climb, 104 Brothers are known to have directly contacted the Grand Master or their Lodges and, according to MORI, 72 have already rejoined their Lodges, including 17 Entered Apprentices and 9 Fellow Crafts. An additional 24 candidates and Brothers on NPD status are still pursuing returning to Masonry; many are awaiting votes when their Lodges return from the winter recesses. Additional returning candidates are known to be in the pipelines of several Lodges so these numbers will further increase. Many of these returning Brethren have been away from Freemasonry for 8 years or more.
- 2) One Lodge had six Master Masons and candidates return.
- 3) Several of the returning Brethren have sponsored new candidates for the degrees.
- 4) Several Lodges called Masons on their lists provided by Grand Lodge and had remarkable success in attracting enthusiastic Brethren back to Lodge. Most Lodges voted to remit outstanding dues, even if the Brothers wanted to join other Lodges. A couple Lodges that voted not to remit outstanding dues of Brethren wanting to return to Masonry did not welcome back any interested Brethren. There is a lesson here, and perhaps it's about more than the money!

Masonic Day in Maine In an effort to heighten Masonic awareness and our rightful pride in being Freemasons, the Grand Master promoted the celebration of Masonry statewide. The celebration took place on Thursday, April 5, 2018, and Saturday, April 7, 2018.

Maine Masons gathered in the Hall of Flags in the Maine State Capitol on April 5, 2018, to mix with legislators from throughout Maine and discuss how Masons

improve the lives of our fellow Mainers. Brethren met with the Maine Masonic Legislative Caucus that is comprised of 17 Masons and one Eastern Star lady (three Senators and 15 Representatives). From the well of the House Chamber, State Representatives and Brothers Thomas Skolfield and Jeffrey Pierce read a Joint Legislative Resolution and a letter from Governor LePage that recognized the societal value of Maine Freemasonry. The day's events were filmed for use in a video being produced for telecasting during the 2019-2020 bicentennial celebration of the State of Maine and Maine Freemasonry.

On Saturday, April 7, 2018, Masons gathered in 22 venues statewide to confer Masonic Degrees, with three venues conferring either the Entered Apprentice or Fellow Craft Degree on five candidates. The other 19 locations conferred the Master Mason Degree on 40 candidates.

District leaders were encouraged to design their plans for the day. District 17 (Portland area) conferred the degree using the seated Worshipful Masters from District Lodges. District 8 (Belfast area) did a Masonic "Progressive" Degree: the District featured three meals – breakfast, lunch and dinner as a degree team moved from Northport, to Brooks and then to Belfast, eating at each Lodge and working candidates, with the Master Mason lectures and charge for all candidates being presented in the final location. District 23 (Auburn-Lewiston area) worked candidates in adjoining Lodge rooms and brought everyone together for the lectures, lunch and the special education programs developed for presentation in all Masonic Day venues. The site coordinators reported good attendance from around the 15 participating Districts and reported that the Masonic Day activities significantly benefited District-building and inter-Lodge cooperation.

Intra-fraternal Cooperation To further address the matter of falling membership, and to instill a sense of importance and urgency in strengthening the working relationships among Masonic bodies, the Potentates of Anah and Kora Shrine, the leaders of the York Rite Grand Bodies, as well as the Scottish Rite Deputy all accepted the Grand Master's challenge to hold Fellowship Nights in their Shrine Clubs, Chapters/Councils/Commanderies and Valleys.

Kora Shrine held a fellowship event in Lewiston. Anah Shrine worked with Imperial Shrine to successfully adopt legislation allowing for the sharing of Shrine membership information across state jurisdictions to encourage reaching out to Shriners who have relocated away from their home Temples. Imperial Shrine also rolled out a program in mid-2017 to encourage Nobles to recommend men for Masonic membership. These initiatives need to be aggressively advanced in the many Shrine jurisdictions including Maine.

Grand Lodge worked with the Scottish Rite Supreme Council to obtain information on all Scottish Rite Masons from the other 14 states comprising the Northern Masonic Jurisdiction who now live in Maine. After cross-checking the list against the Grand Lodge of Maine membership database, letters were sent to 123 Masons, inviting them to visit their local Lodges and Scottish Rite Valleys. A list of contacted Scottish Rite Masons was provided to nearby Lodges and the Maine Scottish Rite Council of Deliberation so the Brethren might be invited to local Masonic activities.

So far, one Brother has joined a Maine Lodge and another has become involved with Maine DeMolay.

The Scottish Rite Supreme Council has made a significant commitment to help build Blue Lodge membership in the NMJ, but it is being employed literally across the country and around the world. Supreme Council produced videos that have been added to our Grand Lodge and Charitable Foundation websites. Graphics have been provided for use on Lodge and Grand Lodge websites and Facebook/Twitter pages. Additional graphics were customized for each requesting Masonic jurisdiction. Our Grand Lodge printed three different 20x24 inch posters for each Maine Lodge for use in their Masonic halls and when holding events within their communities.

The Grand Master has provided materials to Supreme Council on all that Portland has to offer as the host of an upcoming Supreme Council biennial session. The Site Selection Committee is currently looking at the proposed degree venue – Merrill Auditorium, and both New Hampshire and Vermont have expressed interest in supporting the *Supreme Council in Portland* proposal.

Bringing Masons to Maine for a Supreme Council Session would be a lot of work, but it would also provide a great opportunity to introduce Freemasonry to Mainers and showcase Maine to visitors from around the world. The only time that Supreme Council has been in Portland was in 1875 when Maine's MW Josiah Hayden Drummond was Sovereign Grand Commander.

Being Active in the Community The Masonic Charitable Foundation awarded Lodges more than \$175,000 in matching grants during Fiscal Year 2017 to serve their communities – for Bikes for Books, Youth Activities, Community Betterment and Project Graduation. The matching grants increase Lodge visibly in their communities by doing good works.

All Lodges are encouraged to use these grants, to leverage their money by getting \$2 from the Charitable Foundation for every \$1 that they raise and appropriate, up to defined limits. But they are also urged to design other initiatives that meet the needs of their communities. Two of the Lodges with the largest membership growth have done just that – they worked on new and exciting approaches to benefit and be active in their communities.

Village Lodge in Bowdoinham (+7 members in 2017) has organized a team of Lodge members into *The Handy Brigade* to undertake work projects for seniors and others in town. The Lodge started the Brigade in 2016, with work teams typically doing a dozen projects each year, including installing handicap grab bars for bathrooms and walkways, installing and removing storm windows/screens, and doing light yard work. The program has been recognized by the *Topsham Cryer*, *The Maine Mason* magazine and talk radio. The local Grange presented Village Lodge a service award in April.

Rural Lodge in Sidney (+6; more than 10% of its membership) has done an annual house-to-house food drive for the past eight years, leaving a food collection bag, a letter from the Lodge and the *Maine Freemasonry* brochure at each residence one week and picking up bags of food the next weekend. The Lodge collected checks

and over 2,500 pounds of food last fall. Imagine how many people that helped in this small town? And how many people now know more about Freemasonry and how the local Lodge is adding value within its community?

Both Lodges have raised candidates, welcomed back former members and benefited from Masonic affiliations. One of Rural Lodge's returning Brethren has sponsored several candidates for the Masonic degrees.

Strengthening Masonic Education

Over the past two years, an earnest effort has been made to teach Freemasonry – not just the words of the ritual, but more importantly the lessons of our ritual and why those lessons are

important to us as men and Masons.

Traditionally, schools of instruction (SOIs) have concentrated on teaching ritual (words). And they have generally been attended predominantly by Past Masters and Grand Lodge officers, rather than Lodge line officers who would most benefit from reviews of our ritual.

During this administration, District Ritual Instructors have been encouraged to visit Lodges during degree rehearsals to provide more beneficial one-on-one assistance to the Masons who actually confer the degrees.

The District Education Officers and Assistant Grand Lecturers were urged to teach the lessons of the degrees at the Schools of Instruction, with more in-depth Masonic studies being taught at the Maine Masonic College, whose schedule has been expanded to two courses a month, and with classes being held in all Masonic Districts.

Some traditionalists have said the SOIs have been really good, but that they are not “real” Schools of Instruction. This is evidence that Brethren are learning more about our degrees, which was the intent. If Masonry is to allow us to become enlightened about ourselves and to change our ways positively, then we must understand the great philosophic and moral lessons woven into the degrees. Further progress has been made in this regard over the past year and the change in educational programming has been applauded throughout the jurisdiction.

The Masonic Charitable Foundation

The Maine Masonic Charitable Foundation was very active this year. A new Executive Director – Amanda Larson – was hired to assume day-to-day responsibility for leading the Foundation under the direction of the Board of Trustees. She has been working with the Grand Secretary and the Deputy Grand Master on a variety of initiatives.

The Foundation responded to natural disasters in Texas, Florida and Puerto Rico, providing \$10,000 in relief to Brethren in each jurisdiction. Maine Masons and Lodges contributed an additional \$15,148 for disaster relief, bringing total relief to these three jurisdictions to \$45,148. All Brethren should be gratified with our support of needy Brethren in harm's way. I would be remiss not to acknowledge the

generous additional support of the York and Scottish Rite bodies to Brethren in these Masonic jurisdictions.

For the third year, the Foundation performed a leadership role in the fraternity's Wreaths Across America efforts. Working with Maine DeMolay and Rainbow Girls, donation requests were placed in *The Maine Mason*, included as part of the Grand Master's Appeal, and spread via a letter to Lodges and Eastern Star Chapters. The youth organizations held fundraisers for the cause and joined with Masons and others to place over 1,300 wreaths from the Masonic family and thousands more from other caring Mainers at veteran's cemeteries in Augusta, Springvale and Caribou. \$20,000 was again donated through the Foundation to remember our departed veterans.

As noted above, The Foundation is an important partner with Lodges throughout the jurisdiction through the matching grant program. Most grant initiatives directly benefit children by encouraging them to develop a love of reading, have graduation celebrations free of drugs and alcohol, and engage them in many other activities. The Foundation worked with its Youth Committee to change the Lodge ordering and payment process for Bikes for Books.

Three exciting and successful initiatives received considerable attention over the past year. They addressed fundraising, providing relief to Brethren and Masonic widows, and helping educators address issues affecting the health, happiness and safety of schoolchildren.

Increasing Fundraising

Not long ago the Maine Masonic Charitable Foundation was within a whisker of losing its public charity status because of the very low level of Foundation fundraising. This would have resulted in the Federal Government mandating the level of foundation spending – at levels substantially above that needed to support our charitable endeavors. The fundraising for the new Masonic library provided a temporary reprieve from IRS intervention, with substantial fundraising from both Masonic and non-Masonic sources.

The IRS donation test is calculated on a past five year rolling basis. For the current year, the calculation drops off the \$28,000 raised in Fiscal Year 2013 and replaces it with FY 2018 donations totaling nearly \$170,000, which will raise the donation calculation comfortably above the prescribed IRS action level.

In addition to the \$15,149 donated for hurricane disaster relief, the Grand Master's Brotherhood Challenge and the Grand Master's Appeal were very successful this year. More than \$86,000 donations were received this year from Masonic organizations and individuals, including all Foundation Trustees.

The Grand Master's Brotherhood Fund Challenge was announced in March 2017. He pledged to donate \$5,000 to the fund if Brethren and Lodges at least matched that amount. Before breaking for lunch at the 2017 Annual Communication, Brethren lined up from the East to the West of the Grand Lodge venue and across the back of the hall. When all the checks were tallied, nearly \$25,000 had been donated. Over

\$36,000 has been donated this year to help our Masonic Brothers and their widows. Outstanding!

The Grand Master's Appeal last fall invited Brethren, Masonic widows and Lodges to donate to a variety of causes, including Wreaths Across America, the Brotherhood Fund, our Youth Programs and the General Fund. Hurricane Relief and Wreaths Across America appeals took place during the same time last fall. Altogether, Brethren, Masonic widows, Lodges, Eastern Star Chapters and our Masonic youth groups generously contributed over \$70,000 to these important Masonic initiatives.

In addition to donations resulting from the Foundation's fundraising initiatives, a bequest in the amount of \$66,000 was received, which stipulated that income be used for a Lodge scholarship fund and the Portland Scottish Rite Learning Center. The Executive Director will be working on new initiatives whereby Brethren might consider planned giving opportunities that will benefit the Foundation and our brotherhood.

Providing Masonic Relief

Over the past Masonic year, 64 brotherhood grants totaling over \$31,000 have provided immediate assistance to Masons and their widows. The grants are generally for \$500 to address emergency needs and are awarded by the Foundation on the day that the request reaches Grand Lodge with negligible paperwork being required.

Brotherhood grants are sometimes followed up with more substantial relief grants, but in most cases the Brotherhood Grant is all that is needed to address a pressing financial need. Over \$50,000 in relief grants were awarded this year to 12 Brethren or their widows in distress. This is substantially less than last year when \$96,000 was awarded to 19 Masonic families. However, several potentially material relief cases were being investigated in late March.

In total, about \$82,000 in relief was awarded to 76 Masonic families in 20 of 24 of our Masonic Districts, living up to our obligation to help, aid and assist our Brethren, their widows and orphans. In most instances this relief was supplemented with support by participating Lodges. The additional support by the Scottish Rite Supreme Council's Almoner's Fund for Maine Brethren needing financial assistance is deeply appreciated.

Since the brotherhood grant program was rolled out in September 2016, over 90 Masonic families have received grants totaling over \$45,000. Over the past two years, 123 brotherhood and relief grants have been awarded for a net total of over \$192,000.

Protecting Children

Great progress was reported at the 2017 Annual Communication in bringing the National Masonic Foundation for Children's program to Maine. The Foundation works with educators so that they might better identify at-risk schoolchildren and work with them to change life circumstances that adversely affect their happiness and safety. This progress was after many years of concerted effort by prior Grand

Masters who experienced frustrating impediments beyond their control to implement this educational effort that saves lives.

Over the past year, the Maine Masonic Model School Assistance Program has been presented three times to teachers and administrators serving students from 22 Maine communities in eight Masonic Districts, and another program is scheduled for August for some 100 educators serving three towns. Discussions have been held with Maine Commissioner of Education, school district superintendents, school committeemen, educators and school psychologists in many parts of the state to bring the program to schools from southern Maine to the County, and from New Hampshire to Downeast Washington County.

What have participants said about the program? Here's a sampling.

"This was one of the most engaging trainings I've ever been to. I am walking away with much more effective tools than I've had before to use for prevention, identification, assessment and intervention of at-risk students."

"This is a streamlined, common sense approach to helping students. We can apply some of what we learned right away, but plan on getting more people trained for a school wide program."

"This presentation is engaging and definitely worth-while. Every educator needs to take part in this training."

"We need to train all our staff."

Having lost a dear son directly as a result of school bullying, it has been most rewarding to work on and see this program come to fruition here in Maine. The Grand Master has actively participated in national meetings of the National Masonic Foundation for Children over the past two years.

Our success would not have happened without the untiring efforts of RW Sawin Millett, as well as his knowledge, experience and contacts developed over many years as Maine's Commissioner of Education, Commissioner of Health and Human Resources and Commissioner of Administration and Finance. He is a man of many talents and a man with a big heart for the children of Maine. Thank you Brother Millett!

Attending to Non-Fraternal Aspects of Freemasonry

When Brethren think of the work of Freemasonry, our minds turn to conferring degrees, providing Masonic education, sharing brotherly love and relief, and hopefully attracting new members.

Thoughts don't often turn to studying governing rules, fulfilling reporting requirements, and addressing financial and other risks that beset organizations. Attending to these matters isn't exhilarating and may not build a stronger brotherhood that adds value to the lives of its members and their communities, but if left unattended they may well have serious consequences to individual Masons, their Lodges and Maine Freemasonry overall.

Financial: Back at fiscal year-end 2009, Grand Lodge had total assets of **\$828,000**, including investments of \$266,000. Through strong financial management and discipline instilled by the Finance Committee, as of March 31, 2018, the balance sheet had greatly improved, with total assets more than doubling to **\$1,879,000**. Investments more than quintupled to \$1,361,000. The improving stock market is part of the story, but strong decision making and financial discipline were the most important factors in this improvement. This financial improvement was achieved without increasing the per capita tax for seven years, and while undertaking several special projects – such as the move to Holden, implementing the MORI membership database system, the electronic copying of historical records and the purchase of electronic voting equipment. This is a true success story and a good example for our Craft.

This financial management progress made by Grand Lodge should not be compromised going forward, especially in light of our still declining membership. It should demonstrate to our Brethren the benefit of regularly assessing both the sources and uses of Lodge and building association funds, as well as setting priorities for adding value to Lodge members and their communities.

Building Ownership and Incorporation: Under Maine law, Lodges cannot own Masonic buildings, so building associations are usually formed to hold title to and manage these properties. These building associations need to be incorporated by the Maine Secretary of State, have their own tax IDs and be properly insured.

Much progress has been made over the past few years in restoring the lapsed incorporation of several building associations and having the remaining locations form corporations, adopt bylaws and establish tax IDs separate from those of their Lodges. Nevertheless, 20 mostly small Lodges with Masonic buildings still do not have properly incorporated building associations (two of the 20 were dissolved by the Secretary of State because annual filings were not submitted), which will require future attention by Grand Lodge and Masons locally. Grand Lodge now monitors annual filings and intercedes with Masonic building associations so their corporate status is not interrupted. If incorporation is suspended, the building associations lose their statutory authority under the law to operate their buildings.

Tax IDs: Because Lodges are legally a part of Grand Lodge, and building associations are separate legal entities, each requires a separate tax ID issued by the IRS. Over the years, Lodges and building associations have blurred the tax reporting lines between these legal entities, sometimes filing under the wrong number or not reporting at all. Reestablishing tax ID numbers can be a time consuming and very costly process, with substantial fines imposed by the IRS. Grand Lodge should provide guidance and assistance to Masonic bodies to aid them in establishing the required tax-ID numbers.

The IRS has required some Grand Jurisdictions to file for all their Lodges (and perhaps the building associations) which is a very time consuming and frustrating exercise for all concerned. To avoid this happening in Maine, a concerted effort should be undertaken to have all Lodges and building association submit 990 reports to the IRS on timely basis. This may require all bodies to send a copy of their 990, or

the IRS issued receipt of filing, to the Grand Lodge, with the forms logged for process control purposes. The alternative could be onerous.

Annual Liquor Dispensations: During the past year, Grand Lodge issued an annual liquor dispensation to one Masonic building because of the high level of events hosted at that venue in accordance with the vote taken at the Annual Communication of Grand Lodge in 2017. While annual reporting is required, this process allows the host building association to operate more freely and expeditiously in renting out the property for important income generation purposes. A second location may seek approval to begin this process in the upcoming year.

Self-Audit Program: Progress was not made this year on developing a Self-Audit Program to promote healthy local oversight of Lodge/ building association finances by the membership in each Masonic venue. The intent of the self-audit program is to help Masonic bodies implement sound procedures for maintaining appropriate oversight of their financial records and accounts.

Insuring Masonic Properties

Another non-fraternal matter that required considerable attention over the past year was the substantial exposure to the fraternity, its building associations and individual Brethren from not maintaining proper liability insurance coverage on Masonic properties.

During late 2015, the Brethren of a Lodge were sued personally and severally by a member of their Lodge for injuries resulting from a slip and fall accident outside the Lodge building; he then sued Grand Lodge. These events followed a decision by building association leaders to cancel casualty insurance on their property, in violation of the Grand Constitution (SR 19).

Further investigation determined that this Masonic facility was not alone in cancelling its casualty coverage. Twenty buildings were found to be in violation of SR 19, having no casualty coverage that protects the Masonic building, Brethren and others from financial damages and emotional distress resulting from lawsuits related to a wide variety of insurable risks. Other locations had weak insurance coverage.

As a result, an Insurance Directive was issued on September 28, 2016, requiring all Masonic-owned buildings to obtain general liability coverage through the Grand Lodge master policy.

Through the efforts of the Grand Secretary, our insurance agent and most importantly Masonic leaders throughout the state, it is pleasing to report that all Masonic-owned buildings now obtain general liability coverage through the master policy and many purchase all their coverage through that policy, usually at a lesser cost for better coverage. (Two building associations have been given leeway on fulfilling this requirement because they are actively pursuing the transfer of ownership of their buildings.)

Travels and Special Events

During the Grand Lodge year, the Grand Master attended more than 190 Masonic events in Maine and beyond. This included visits to the Grand Lodges in London, England; Quebec; New Brunswick; Prince Edward Island; New Jersey; and, each of the New England states. Trips were also made to meetings of appendant and related bodies: Shrine International in Daytona Beach, Florida; the Scottish Rite Supreme Council in Rochester, New York; the Northeast Conference of Grand Masters in Indianapolis, Indiana; and the Conference of Grand Masters in Indianapolis where Maine had the honor of chairing the Conference Time and Place Committee.

The trip to London for the 300th anniversary of the United Grand Lodge of England (UGLE) will long be a highlight in the Masonic lives of the 136 Grand Masters in attendance from around the world. Visits were made to the magnificent UGLE building and the Mansion of the Lord Mayor of London. The festivities were capped off by meeting the Grand Master of England, His Royal Highness the Duke of Kent who was in his 50th year as Grand Master, and attending the gala celebration with over 4,000 Masons from around the world in the Royal Albert Hall.

The Grand Master was warmly received in his travels throughout the jurisdiction. He was afforded the honor of wearing Warren Lodge's Worshipful Master's collar – crafted by Paul Revere – when opening the District Three Meeting at the Burnham Tavern in Machias. The tavern was the initial meeting location of the Lodge in 1778.

Maine DeMolay held a Grand Master's Class on Veteran's Day 2017, where he received the Legion of Honor, the highest honor bestowed by DeMolay International, as well as the Degree of Chevalier. The event was 55 years after the future Grand Master joined the Auburn Chapter of DeMolay.

The Grand Master attended many events this year that were enjoyed by Masons and their families: the Family Fun Day at the Boothbay Railway Village; the Shrine Lobster Bowl Game; gatherings with both Shrine Centers, The Scottish Rite and York Rite bodies; the Widow's Son Ride for the Brotherhood Fund; the Triangle Lodge Summer Outing at Fort Williams; a luncheon with 91-year old Brother Richard Gunn with some of his many friends; the naming of halls in the Portland Masonic Building for two Scottish Rite Sovereign Grand Commanders from Maine, Ill. Josiah Hayden Drummond and Ill. Walter Ernest Webber; the State of Maine Day with Masons in Sarasota, Florida; and, the recognition of Maine Freemasonry at the Maine Capitol featuring the reading in the House Chamber of a congratulatory letter from the Governor and a Joint House-Senate Resolution.

To these events must be added the many visits to Lodges around this Grand Jurisdiction, both alone and with Past Grand Masters and Grand Lodge officers, where the Grand Master was accorded the honor of sitting in the East and being welcomed as a friend and Brother.

An Experience of a Lifetime

Being elected to the office of Grand Master is a distinct honor and privilege afforded few members in the Craft. It provides a precious opportunity to befriend thousands of Brethren from his jurisdiction and beyond. Through his office, a Grand Master

can positively affect and inspire innumerable lives by advancing the great teachings and works of the Craft.

Serving as the 97th Grand Master has been an experience of a lifetime. The support and good work of the many Grand Lodge officers, Masonic leaders and Brethren throughout the jurisdiction is most appreciated and will long be cherished.

The past two years have passed quickly, with much being accomplished and progress being made on several fronts. The Craft faces many challenges to making Freemasonry a vibrant force in the lives on men, and a compelling destination that adds value to their lives and communities.

I pray that the Craft be as supportive of my successors in office as it has been to me. Only by working together, as Brothers, Lodges and affiliated Masonic bodies can we achieve the great possibilities afforded us by the Supreme Architect of the Universe.

Fraternally,

Brother Thomas H. Skolfield

Born in Rumford, Maine, on February 25, 1949, RW Brother Thomas H. Skolfield is one of two children of Stanley Aquilla Schofield and Dorothy Reynolds Schofield. He has a younger sister, Sharon Schofield Bickford, and two half-brothers, Paul Schofield and Masonic Brother Peter Lee Schofield, a 60-year member of Mystic Tie Lodge No. 154 in Weld.

Brother Skolfield is married to Gordeen Skolfield and has two sons, Bryce and Masonic Brother Aaron Skolfield of Village Lodge in Bowdoinham, as well as two stepchildren, Chelsie Lohmann and Worshipful Charles A. Noble, Jr., the presiding Master of Mystic Tie Lodge. Gordeen is very supportive of the Masonic activities of her husband and son. They enjoy seven grandchildren: Victoria, Elizabeth, Nate, Alex, Rachel, Abby and Emma.

The Skolfield family has a long Masonic lineage, particularly in Mystic Tie Lodge. His great-grandfather, Eben H. Skolfield was a charter member of Mystic Tie Lodge in 1869. His grandfather, Wor. Thomas A. Skolfield, was raised in the Lodge (as were two of his brothers) on December 1, 1914, and served as Master in 1924-1925. His father, Stanley A. Schofield, was raised in the Lodge on March 26, 1930, followed by our Brother on December 9, 1970. His maternal grandfather, Wor. Howard Goding Reynolds, served as Master of The Lodge of Eleusis in Boston in 1922-1923. Brother Skolfield's mother Dorothy is very proud that she is the daughter, wife/widow, mother and grandmother of Freemasons.

After being raised in 1970, our Brother immediately started through the chairs of Mystic Tie Lodge and in 1976 he served as Master in the Lodge hall built in the 1920s by his uncle RW Fessenden Schofield, who served as District Deputy Grand Master from 1925 to 1927.

Because of his work with the Maine State Park System, our Brother transferred away from Weld and Mystic Tie Lodge. After retirement in 2009, he returned to Weld and again became active in Mystic Tie Lodge, serving as Master for a second time in 2013. He was appointed District Education Representative of the 15th Masonic District in 2013 by MW Brother Ross and then District Deputy Grand Master for 2015-2016 by MW Brother Walker. While serving as a District Officer, he remained active at Mystic Tie Lodge serving as Chaplain and on the Board of the Charity Fund.

During the same time, our Brother has been a member of the Weld Board of Selectmen, serving as Chairman for several years, a position he still holds. While on the Board, he has sponsored and supported many projects that have greatly improved the Town's infrastructure.

In 2012, he was elected to serve in the Maine State Legislature – House District 112 – and continues in that office. During his tenure, he has served on the Taxation Committee and is now serving on the Agriculture, Conservation and Forestry Committee and the Bills in the Second Reading Committee.

While in the Legislature, Brother Skolfield organized and participated in the Masonic Legislative Caucus, made up of Masons (and one Eastern Star lady) in the House and the Senate. This caucus has been responsible for generating interest of legislative members who had either started or ready to begin their Masonic degrees, and their activities have put Masonry in a positive light in the Capitol. He has offered the opening prayer for the daily House sessions on two occasions, modifying some of our Masonic prayers to fit the Legislative body; the prayers have been very well received. Our Brother and fellow Representative Jeffrey K. Pierce were instrumental in Freemasonry being recognized last month by Governor LePage and jointly by the Maine Senate and House.

RW Brother Skolfield is also active in the Weld Congregational Church where he participates on boards and planning committees. He also fixes pipes, water heaters, furnaces, water issues, and takes care of anything that isn't working properly.

My Brother, for all you have given and continue to give in service to your state, community and most especially our Masonic fraternity, it is with great pleasure that I present to you the Josiah Hayden Drummond Medal for Distinguished Service.

Brother Richard M. Nadeau

Very Worshipful Richard Michel Nadeau was born in Lewiston, Maine, on November 10, 1961, the first child of Richard Lionel Nadeau and Lucille Rita St. Laurent Nadeau. Only he of four siblings survived the infancy of life.

Following his 1980 graduation from St. Dominic High School, then in Lewiston, Brother Nadeau joined the United States Army where he served for 12 years, rising to the rank of Sergeant E7 before being discharged in 1992. He served our country in Fort Campbell, Kentucky and in Germany as a demolitions expert, tank commander, translator for the Canadian Army and drill instructor.

On September 26, 1981, while in the Army, he married Rachael Joline Boucher, his high school sweetheart. They attend St. Francis Missionary in Greene and St. Joseph's Church in Lewiston, and they have been blessed with two children, Justin and Jenna, and six grandchildren who call him "Pep" - Emma, Amalie, Ava, Julia, Britton and Everett with whom he loves to spend time on the Maine coast as well as at the family camp at Jimmy Pond in Litchfield.

Following seven years as the owner and operator of Nadeau and Son Construction, our Brother pursued a successful 20 year career as a Chiropractor. He is a graduate of the Palmer College of Chiropractic, in Davenport, Iowa, which was the first and is the largest chiropractic college. He completed the college's pediatric residency

program, taught at the college and received its prestigious Clinical Excellence Award.

VW Bro. Nadeau was raised to the sublime degree of a Master Mason in Webster Lodge in Wales on February 28, 2008, served as Worshipful Master in 2012, and has served as Chaplain in both Webster Lodge and Tranquil Lodge in Auburn with which he affiliated in 2014. He is an active member of the Masonic Temple Associations in Auburn and particularly in Wales, where he has undertaken many building improvement projects.

Brother Nadeau served as the District 23 Educational Officer and the State Mentoring Coordinator from 2014 to 2016, before being appointed as the Grand Marshal. He has actively served this Grand Jurisdiction on the Grand Lodge Membership and Masonic Education and Lodge Services Committees from 2014 to 2018. A lover of Masonic ritual, he regularly serves as a guest officer on several Masonic degree and installation teams throughout the 23rd Masonic District and beyond.

Recognizing the importance of the Masonic family of organizations working together to benefit our fraternity and mankind, Brother Nadeau is a member of the York and Scottish Rites, the Shrine, and the Order of Eastern Star where he supports his wife Rachel who currently serves as Worthy Matron of Lakeside Chapter #60.

In Kora Shriners, Noble Nadeau is a member of the Kora Kraftsmen degree team and the clown unit. He is also an active member of the Scottish Rite Valley of the Androscoggin, where he serves as Orator in the Lewiston Lodge of Perfection; High Priest in the Auburn Council Princes of Jerusalem; and Senior Warden of the H.H. Dickey Chapter of Rose Croix. For his efforts, the Maine Council of Deliberation awarded him the Scottish Rite Meritorious Service Award in 2014.

Brother Nadeau has rescued six Weimaraner pups, and enjoys beekeeping, raising turkeys, and woodworking. He has crafted many a gavel for presentation to new Worshipful Masters upon their installation, as well as pens inlaid with Masonic symbols or with pink ribbons signifying that the special recipient is a breast cancer survivor.

My Brother, for all you have given and continue to give in service to our country, community and most especially our Masonic fraternity, it is with great pleasure that I present to you the Josiah Hayden Drummond Medal for Distinguished Service.

Report of the Committee on Masonic Jurisprudence

The Committee on Masonic Jurisprudence shall have referred to it all acts of the Grand Master involving questions of Masonic law and practice and shall report on such other matters as are referred to it for consideration. Additionally, in accordance with Standing Regulation 5, Resolved: That no official Grand Lodge form — any form used to comply with a constitutional requirement— be added or amended until it has been reviewed and approved by the Committee on Jurisprudence. This requirement shall extend to electronically fillable official forms. The report of the Committee on Masonic Jurisprudence shall be read immediately after the reading of the Address of the Grand Master. And so, it is.

It is befitting that we review the administrative actions available to the Grand Master in the governance of this Grand Lodge. There are three actions a Grand Master may apply: Directives, Dispensations and Decisions.

Directives. A Grand Master may issue a directive which is simply an internal regulation for the management of our Grand Lodge and is sometimes called an edict. A directive may be revoked by the Grand Master or by any succeeding Grand Master. Directives require no approval of the Grand Lodge except that Grand Lodge after hearing the report of the Committee on Jurisprudence determines that a directive exceeds the authority of the Grand Master to make such internal regulations.

The Grand Master's Directive. The Grand Master did not issue any Directives during the past Masonic year.

Dispensations. A Grand Master may grant a dispensation which is a waiver of certain constitutional provisions as permitted by the Constitution. Dispensations granted by the Grand Master are either approved or rejected by the Grand Lodge at the next Annual Communication after hearing the report of the Committee on Jurisprudence.

The Grand Master's Dispensations. The Grand Master was presented with 55 requests for dispensations this past Masonic year. The committee reviewed those dispensations and has categorized those for your consideration.

- 1) Nine dispensations were granted to permit Masons to wear Masonic regalia while participating in community parades and other civic sponsored events where he appropriately deemed that Freemasonry would be regarded in high esteem by the public. The committee finds all of them to be appropriately granted.
- 2) 20 dispensations were granted to permit Lodges to change meeting venues due to safety concerns especially during winter months or to permit Lodges

to change meeting dates due to inclement weather, the latter being supported by section 77.2 of our Constitution. The committee finds all of them to be appropriately granted.

- 3) 10 dispensations were granted to permit Lodges to serve alcohol on their premises. The committee reviewed those dispensations and found that the appropriate general liability coverage and alcohol liability coverage were presented naming the Lodges, their building corporations and the Grand Lodge of Maine as additional insureds. Additionally, the proper rental agreements were presented. The committee finds all 10 dispensations to be appropriately granted in accordance to the terms set by Standing Regulation 30.
- 4) Seven dispensations were granted to Lodges permitting them to conduct outdoor degrees.
- 5) Two dispensations were granted to allow Lodges to hold special elections to either elect or replace elected Lodge officers. The committee finds them to be appropriately granted.
- 6) Two dispensations were granted to allow Lodges to wear period costume to commemorate the anniversary of its founding or to pay homage to a specific era bearing significance to Masonry. The committee finds those to be appropriately granted.
- 7) The Grand Master declined to grant five requests for dispensations. Two were denied because the petitioners did not meet the residency requirement of one year. Two were denied because the Lodges did not submit the proper insurance liability form and rental agreements as prescribed by Standing Regulation 30. One was denied because a Lodge wanted to waive the application requirement for a former member suspended for non-payment of dues for a period of more than three years. The Grand Master seeing no apparent extenuating circumstances in those requests, he appropriately denied the requests. It is the opinion of the committee that the Grand Master, in denying those dispensations, was complying with the Masonic law of our Grand Jurisdiction.

Decisions. A Grand Master may make a decision. A decision is an interpretation by the Grand Master of a constitutional provision whose application to a given situation is not clear. The decision of the Grand Master is either ratified or rejected at the next Annual Communication after hearing the report of the Committee on Masonic Jurisprudence. If it is ratified, it becomes part of the Masonic law of this Grand Jurisdiction.

The Grand Master's Decision. The Grand Master did not issue any Decisions during the past Masonic year.

Finally, the Deputy Grand Master, in preparation of his term as Grand Master, asked this committee to review Grand Lodge official form number 1. Form number 1 deals with the content of the report of the District Deputy Grand Master. The Deputy Grand Master sought to make changes to that as he saw fit. The committee concurs with his request.

This concludes the report of the Committee on Masonic Jurisprudence. On behalf of the entire committee, I would like to thank the Grand Master for bestowing his trust in us. The Grand Master has utilized this committee as an ongoing advisory team prior to the implementation of his administrative actions. We commend him for this. As chairman of this committee, I also want to thank the members of this committee for their experience, insight and careful consideration of every action presented to us as well as their timeliness in rendering their opinions.

Respectfully submitted,

M.W. A. James Ross, Chairman

R.W. Jeffry A. Simonton

R.W. Patrick C. Whitney

I move that this report be accepted, that its findings be adopted and that the actions of the Grand Master therein be ratified.

Motion Carries

REPORT OF THE COMMITTEE ON AMENDMENTS TO THE CONSTITUTION

To the Most Worshipful Grand Master

Officers, and Brethren of this Jurisdiction:

Brethren, we have several Constitutional issues to deal with at this Annual Session, issues which, to borrow a phrase from our ritual, by my own endeavors and your assistance, we will handle in an expeditious and appropriate manner. We have two proposals which survived a first reading last year to make final decisions on today, and six proposed amendments to be considered for initial readings.

The first of two propositions being presented for final consideration is a proposed amendment to SECTION 34.4a, paragraph 2 (Clothing in Grand Lodge) to read as follows:

“Additionally, a Past Grand Master’s Medallion may be worn, suspended from a collar; and a Past Grand Master’s Lapel Button may be purchased through the Grand Lodge business office.”

This proposed amendment was entertained at Annual Communication last year, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and is now deemed in order to be taken up at this annual communication.

To that end I would entertain a motion to remove this proposed amendment from the table.

I would now entertain a motion to accept this proposal to amend SEC. 34.4a.

The amendment to SEC. 34.4a passed.

The second of two propositions being considered for final consideration is a proposed amendment to SEC. 35, Committee of Finance which would be referred to and notated as follows:

“SECTION 35.5 Committee members, who are not otherwise voting members of Grand Lodge, shall have the same status as other officers of Grand Lodge, while serving on the committee.”

This proposed amendment was entertained at Annual Communication last year, referred to the appropriate committee, entered upon the records of Grand Lodge, sent

to the several lodges for consideration, and is now deemed in order to be taken up at this annual communication.

To that end I would entertain a motion to remove this proposed amendment from the table.

I would now entertain a motion to accept this proposal to amend SEC. 35.5.

The amendment to SEC. 35 passed.

We will now consider the first proposition being offered for its initial reading. It is a proposed amendment to SEC. 74.5 dealing with lodge insurance coverage.

SEC. 74.5 now reads: Each lodge shall remit its share of the cost of the Grand Lodge Blanket Liability Insurance, which covers members while engaging in Masonic activities.

As proposed, SEC. 74.5 would read: Grand Lodge shall arrange for blanket liability coverage for all Masonic Lodges and buildings owned by Masonic-based building associations and related organizations. Each lodge and building association shall remit the cost of insurance on its members and properties.

I would invite a motion that this proposed amendment be entertained, refereed to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and deemed to be in order to take up at the next annual communication.

The proposed amendment to SEC. 74.5 passed its initial reading.

We will now consider a second proposed amendment dealing with lodge insurance coverage.

Proposed SEC. 74.5a would replace Standing Resolution 19, and would read:

SEC. 74.5a: In addition to the coverage afforded by the Grand Lodge blanket liability insurance for Lodges and Masonic building associations, each lodge or building association shall obtain documentation of suitable liability coverage, including liquor liability coverage, if applicable, from parties leasing or renting Masonic premises, with the Lodge, building association and Grand Lodge named as additional insureds.

The proposed change in SEC. 74.5 and the new SEC. 74.5a will result in bringing all insurance related items together in our Constitution and will codify the Insurance Directive of 2016 with which Maine Lodges and building associations are now in conformance. It also clarifies the need for third party insurance for parties that lease or rent Masonic-based facilities.

I would now invite a motion that proposed amendment SEC. 74.5a be entertained, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and deemed to be in order to take up at the next annual communication.

The proposed amendment presented as SEC. 74.5a passed its initial reading.

We will now consider a motion to amend SEC. 2.1 Officers and Members of Grand Lodge. This section includes all elected and appointed officers. It also includes a list of “Other Members” which now includes Very Worshipful – District Education Representatives; Worshipful – Masters of the several chartered constituent lodges; Brother – Wardens of the several chartered constituent lodges. To this list would be added by this amendment: Brother – Members of the Committee of Finance.

I would invite a motion that the proposed amendment to SEC. 2.1 be entertained, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and deemed to be in order to take up at the next annual communication.

The proposed amendment to SEC. 2.1 passed its initial reading.

We now ask you to consider an amendment proposed by your Committee on Amendments which we believe will assist in maintaining the integrity and clarity of purpose of our Masonic Code. As proposed it will be additional language to SEC. 36.6 *On Amendments to the Constitution*, and would read as follows:

“It shall be the Committee’s duty to

1. Examine all proposed amendments to the Constitution and Standing Regulations in an impartial manner, without regard to personal opinion as to their bearing or merit. (This does not preclude a member from speaking, apart from the committee and report, on any amendment in his own right as a voting member.)
2. Examine all proposed amendments to ensure that they do not conflict with any other portion of the Masonic Code.
3. Ensure that any proposed amendment is clear and concise, without any ambiguous wording that would knowingly render the amendment itself, or any existing provisions of our Masonic Code, open to differing opinions.
4. Determine if the Constitutional amendment being offered addresses the correct section and/or subsection.
5. Stand ready to assist any brother in drafting new legislation.”

I would now invite a motion that this proposed amendment to SEC. 36.6 be entertained, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and be deemed to be in order to take up at the next annual communication.

The proposed amendment to SEC. 36.6 passed its initial reading.

Now I would ask you to consider a proposed amendment to SEC. 35 which would strike SEC. 35.5 from our Constitution.

I would invite a motion that this proposed amendment to strike SEC. 35.5 be entertained, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and be deemed to be in order to take up at the next annual communication.

The proposed amendment to strike SEC. 35.5 passed its initial reading.

And finally, we have a proposal offered by our R.W. Deputy Grand Master, Brother Mark Rustin, to amend that portion of SEC. 7.1 which currently sets the hour for annual Grand Lodge elections at 3:00 p.m. Brother Rustin’s proposal would change the voting hour for future Grand Lodge elections to 1 p.m.

By virtue of this proposal, SEC. 7.1 would read: The Grand Master, Deputy Grand Master, Grand Wardens, Grand Treasurer and Grand Secretary, shall be chosen by

ballot at the Annual Communication; as shall vacancies incurring or occurring on the Committee of Finance; and Board of Trustees of the Masonic Charitable Foundation. Ballots shall be printed, or electronic voting opportunities prepared, by the Grand Lodge for all who have made their candidacy for the above positions known in writing to the Grand Secretary previous to the election but not later than March 15th. The election shall commence at 1 p.m., and a majority of the votes collected shall be necessary for a choice. If a majority is not obtained for any office, a further ballot shall be collected as soon as convenient, the election taking priority over all other matters.

I would invite a motion that this amendment be entertained, referred to the appropriate committee, entered upon the records of Grand Lodge, sent to the several lodges for consideration, and be deemed to be in order to take up at the next annual communication.

The proposed amendment to SEC. 7.1, to change the Grand Lodge voting hour to 1 p.m., passed its initial reading.

Report of the Grand Historian

To the Most Worshipful Grand Master, Grand Officers and Brethren All,

Another Masonic year has come and gone and has continued its quest to be proactive in reaching out to all Maine Masons as well as other jurisdictions by fully recreating its website. Just one of the wonderful updates is being able to read the Maine Mason magazine on line, anytime.

As we move closer to the Grand Lodge bi-centennial in 2020 the Grand Lodge is also moving forward with its planning of events. The first item of interest has already been put into action, the Grand Lodge bi-centennial challenge coin.

The Grand Master rolled out new initiatives this year in the form of; “Fellowship Night” initiative stating, “Our product – the Masonic Brotherhood – is outstanding. It adds value to our lives and serves with compassion those associated with the fraternity”. Free materials were provided to lodges on holding Fellowship Nights. A further initiative was that Grand Lodge would provide financial support for these Fellowship Nights.

A “Membership Initiative” began with over four thousand letters going out to degree candidates who for a myriad of reasons had not completed their Masonic journey. The results of this initiative have already reaped benefits for some lodges with men coming back, completing degrees and even hold a lodge office.

Grand Master also worked in tandem with the Potentates of the Kora and Anah Shrine with all agreeing to join together and work toward a common goal of identifying and raising 100 men to Masonry. The results of this initiative will be better known as our Masonic year comes to close.

The Maine Masonic College continues its leadership on education for the Brotherhood and communities alike. The MMC continues to work diligently on its certificate and diploma courses as well as offering itinerant courses on many Masonic topics and non-Masonic topics.

Masonic relief was at the forefront of our fraternity this year; from hurricane relief, to Brothers helping Brothers we again have proven that when the need is great we all

come to the relief of our membership and families. It was reported this year that since the first grant was provided in 2016, \$145,000.00 has been provided in relief. The Grand Master's appeal this year raised \$36, 000.00.

Maine Masons were sponsors of the Maine Commission for Community Service Young Maine Volunteer Roll of Honor program this year. Public recognition of those young Maine volunteers took place at Portland Red Claws basketball game at the Portland Exposition Building this Sunday, March 26th.

The Masonic Model Student Assistance Program (MMSAP), which was developed to assist educators, has been supported by Grand Lodges in nearly thirty states since the 1980's. This program helps educators and administrators learn how to identify, intervene with, and create appropriate referrals for students who may be at-risk for substance abuse, depression, suicide, or violence. This program is provided at absolutely no cost to school districts.

More than 50 Brethren led by our Grand Master convened at the Capitol Building in Augusta in April to attend the morning reception in the Hall of Flags. At the opening of the House of Representatives, RW Rev. Mark Rustin offered the opening prayer. The House passed a joint resolution making April 7, 2018 Maine Masonic Day. Masons in the balcony were greeted and received a hearty round of applause from the House members in recognition of Maine Masons contributions throughout the state. Everyone then moved to the Senate Chamber and was present when the Senate also passed the joint resolution and received another round of applause from our Senators.

The Grand Lodge held its second Family Fun day, this time at the Boothbay Railway Museum. Masons and families alike enjoyed this free day to explore the village, review and ride on the historic railway. Many Masons also took part in an outdoor Master mason degree held at the Wiscasset, Waterville and Farmington Railway Wiscasset, Waterville and Farmington Railway.

Another family event was held at Hadlock Field in July when Maine Freemasons were welcomed by the Portland Sea Dogs who played the New Hampshire Fisher Cats in the Maine Mason Day at the ballpark.

Our Grand Master along with Grand Masters from 136 jurisdictions came together in the United Kingdom for the 300th anniversary of the United Grand Lodge of England. This spectacular event found 4,000 Masons joined in fellowship to honor the UGLE in this historic event. MW Pulkkinen upon greeting the Grand master of

the UGLE, Prince Edward, Duke of Kent, offered the Fraternal Greetings of all Masons in Maine.

There are times when the lodges that comprise our Grand Lodge come together as one and this was proven when the call went out asking lodges to send 90th Birthday wishes to a very special lady, Marion Chute, wife of MW Dr. Harold Chute. Lodges responded in kind with 75 various cards and letters for her special day.

Our Fraternity and Grand Lodge was not spared the specter of death as we lost three Past Grand Masters to the Grand Architect's care; MW Gerald Leighton, MW Robert Damon and MW Harland Hitchings. These Brothers were the epitome of Freemasonry and will be missed by all Masons.

In closing I want to thank the Committee on History for their due diligence on reviewing and evaluating histories; Richard Rhoda, Richard Bowden and Randy Stearns met and after much deliberation came to the following results for lodge historical awards for the year 2017;

1st Place winner-St. Aspinquid Lodge #198 in York, RW Walter Kyllonen-Historian

2nd place to Morning Star Lodge #41 in Litchfield, Robert Haigh-Historian

3rd place to Federal Lodge #6, Rockport, RW C. Herbert Annis-Master.

Congratulations to each of these Historians for their dedication and pride in their respective lodges in 2017. The committee also would like to thank the 76 lodges who had their reports in on time. At the time the committee met, 36 additional lodges had submitted their report but did so after the required submission date in the Maine Masonic Code. There were also 72 lodges who had not as yet submitted their history report.

Yours in Masonry,

R.W. Jeffrey Sukeforth

Report of the Grand Lecturer for the 2017-2018 Masonic Year

Brian S. Messing, Grand Lecturer

This has been the second year for the structure put in place for the Grand Lecturer, the Assistant Grand Lecturers (AGLs), and the District Ritual Instructors (DRIs), and for the experiment in transforming the schools of instruction, and ritualistic ratings by the DRIs.

Implementation of the new schools remained uneven across the state. Those that try the newer format have seen great growth in the number of school attendees. They are well received, yet many districts have continued to simply do instruction round-robin by reading from the book.

I am disappointed in the reporting by the AGL/DRIs this year. Only 7 of our 24 district DRIs rated all of the lodges in their district, and one of these used obsolete forms! Another 4 Districts provided inspection results on 1 to 7 lodges in their districts; I did not receive any ratings at all from 13 districts. The DRIs were to have used the same reporting structure as last year so they should have been familiar with what was being requested. We had a kick-off meeting early in the year for the DRIs and several requests for inspection reports as well as annual DRI reports were made.

Last year I made repeated pleas for these reports, and while we had a very good representation from almost all districts last year by mid-end January, I did not have the time for this type of reminder this year and the results were abysmal.

Similarly, while last year I received 8 nominations for Ritual Lodge of the Year, this year only two DRIs made a recommendation, for a total of three nominations. These were for Triangle No. 1, Saco No. 9, and Dunlap No. 47. It was very difficult to select one of these three, but in the end, Triangle No. 1 was recognized as the Ritual Lodge of the Year. Several DRIs stated that the recommendation for a lodge was going to come from the District Deputy Grand Masters, but at the time this report was written in mid-March, Grand Lodge had received no nominations from anyone.

Only one DRI provided inspection results as they occurred; the others did not provide any reports until after the 31 December deadline. Only a handful of DRIs provided me with their annual report. That said, the product I received and the effort put into the task by six of our AGL/DRIs was outstanding and I am happy to hear that many of them will be continuing in this role next year.

I understand that the Lecturing staff will return to the previous structure beginning in May 2018. This may be for the best as it will be easier for the Grand Lecturer to keep track of and guide six persons rather than twenty-four. Further, given the sparsity of recommendations for the lodge of the year, coupled with having 24 different perspectives on what is important, perhaps having only six individuals

provide those ratings would most likely also have them be more consistent in how the ratings are decided.

I would hope however that we continue to push for the newer approach to the schools as these were very popular. It should be the responsibility of the lodge to ensure their members learn the ritual words – there are many, many Masons who are quite good at most aspects of the ritual, but very few that have a good understanding on what the ritual is for and what it means. The Lecturing should attempt to fill this knowledge gap.

I'd like to thank Most Worshipful Pulkkinen for allowing me the opportunity to serve the craft and our Grand Lodge over this last couple of years. I have certainly gained a much better understanding of who and what we are and why we exist.

Report of the MEALS Committee

Education has greatly improved this past year through the hard work and innovation of our DER's. They have taken on the challenge of bringing new and more interactive programs to their Districts and Lodges. This forward thinking has made the Symbolism of our craft become more front and center in the talks and programs delivered. Having talked to many of the DER's at their District meetings and over the phone. I have found them to be enthusiastic about sharing the meaning of Masonry to the Brethren. Their Leadership is an integral part of our future and should be recognized and applauded. They have truly carried the Light for all of us.

The Dirigo Leadership Seminars have been well received by those in attendance. There have been three Seminars this year with interest for more next year. This has been made possible. By the hard work and Leadership of Jeff Sukeforth. Who single handily put on these. His dedication to the Education of our Brethren has shown how far one Brother is willing to travel to bring Light to another. He has been an inspiration to me and I feel he deserves our Thanks for his hard work.

Respectfully submitted,

William E. Stutzke

Clay to clay, and dust to dust;
Let them mingle, --for they must;
Give to earth the earthly clod,
For the spirit's fled to God.

Thither let us turn our view;
Peace is there and comfort too;
There shall those we love be found
Blessed forever where love abounds.

LET US PRAY

Almighty and most merciful Father, we adore Thee as the God of time and eternity. As it has pleased Thee to take form the light of our abode those dear to our hearts, we beseech Thee to bless and sanctify unto us this dispensation of Thy providence. Inspire our hearts with wisdom from on high, that we may glorify Thee in all our ways. May we realize that Thine All ---Seeing Eye is upon us, and be influenced by the spirit of truth and love to faithfully perform the duties assigned to us here, so that we may ever enjoy Thy divine approbation. And when our work on earth shall cease, and we are called to depart this life, may we be cheered by the enjoyment of Thy presence and the assurance of immortal life in that world where faith and hope shall end, and love and joy prevail through eternal ages. AMEN

MEMORIAL SERVICE

Let us resolve to seek favor of our eternal God, so that when the awful moment of death comes, even as it has to our Brothers before us, we may be enabled to prosecute our journey without dread or apprehension to that far distant country from whose borne no traveler returns.

To the relatives and friends of our departed Brother, who are most heart-stricken at the loss owe have all sustained, we have but little of this world's consolation to offer. We can only sincerely, deeply and most affectionately sympathize with them in their bereavement, and assure them that He, who looks with infinite compassion

upon the afflicted in the hour of their desolation, will fold the arms of His love and protection around those who put their trust in Him.

BENEDICTION

Lord, no matter from whence we come; not matter whether we are traveling; not matter of what we are in pursuit; we are ever mindful that we are continually approaching that far distant land from whose borne no traveler returns. Man is born to die but in death there is that glorious companionship that awaits the faithful in that Eternal Lodge above. We pray for the souls of our departed Brothers that they may be received into that Blessed Kingdom on high. May we so labor here that we there in that we there in that Kingdom also receive the wages of the faithful craftsman. Amen.

Fraternally Submitted,

RW W. Daniel Hill

Grand Chaplain

Most Worshipful Grand Master, I respectfully request that a motion be made to accept this report, that it may be spread among the records.

Report of the Committee on Fraternal Relations

Most Worshipful Grand Master and Brethren all,

The tercentenary of organized Freemasonry was celebrated on June 24, 2017 at Royal Albert Hall in London, England by the United Grand Lodge of England, the first Grand Lodge in the world. Our Grand Master joined several thousand Masons from around the globe in the festivities led by the Grand Master, HRH The Duke of Kent and attended by representatives of 136 sovereign Grand Lodges. This speaks to the scope and import of Freemasonry on our planet and is a shining example of international friendship and brotherhood.

This committee has reviewed four communications requesting recognition by the Grand Lodge of Maine.

1. The Grand Lodge of the State of Baja California (Muy Respetable Gran Logia de Estado Baja California).

The Commission on Information for Recognition has determined that the Grand Lodge of Baja California, under Grand Master Carlos Manuel Lura Herrera currently meets the standards for recognition.

2. The United Grand Lodge of Bulgaria.

After many years of negotiation, legislation was ratified on June 20, 2015 by which the two competing Grand Lodges in Bulgaria, the Grand Lodge AF&AM of Bulgaria and the United Grand Lodge of Bulgaria (UGLB) combined as the UGLB composed of over 4000 Masons in 119 lodges practicing regular Masonry. The UGLB is currently recognized by the United Grand Lodge of England and numerous other Grand Lodges around the world.

3. The Grand Lodge of Estonia F&AM.

The Grand Lodge of Free and Accepted of Estonia was inaugurated by its parent, the Grand Lodge of Finland, on 18 May, 1999. This Grand Lodge is considered regular and has been recognized by over 70 Grand Lodges from Europe, United States, Commonwealth, South America and Asia.

4. The Most Worshipful Prince Hall Grand Lodge, Free and Accepted Masons, PHA, District of Columbia, Inc.

We are pleased to receive a request for amity from the Prince Hall Grand Lodge D.C. Several years ago, at our Annual Communication, the Grand Lodge of Maine elected to recognize any Prince Hall Grand Jurisdiction which is recognized by the mainstream Grand Lodge AF&AM of the state in which that Prince Hall Grand Lodge also resides. The Prince Hall Grand Lodge D.C. is duly recognized by the Grand Lodge of the District of Columbia F.A.A.M. as well as the United Grand Lodge of England, Grand Lodge of Scotland, Grand Lodge of Ireland and many other Grand Lodges throughout the world.

The aforementioned Grand Lodges meet the standards for recognition and are in amity with numerous Grand Lodges around the world. Your Committee

recommends that the Grand Lodge of Maine recognize these Grand Lodges in the pursuance of interjurisdictional Masonic unity.

There have been no substantive changes of the positions within the Grand Lodges of Tennessee and Georgia concerning gay members. Nor are we aware of any adverse action concerning any brother in those jurisdictions. Of interest is that the Grand Lodge of District of Columbia F.A.A.M. has reversed their suspension of relations with the two Jurisdictions and has resumed full amity.

I move the acceptance of this report and the adoption of its recommendations.

Respectfully submitted,

Bro. Claire V. Tusch PGM, Chairman
 Bro. Robert D. Lind PDDGM
 Bro. Marlon E. Welch PM

Brother Clifford L. Boaz

RW Clifford Lawrence Boaz was born in Trenton, New Jersey, on January 9, 1936, to Clifford Fay Boaz and Florence Pauline Lawton Boaz. As a boy, he lived with his sisters Helen and Ruth and their parents and maternal grandparents in Hamilton Township, New Jersey.

Following high school, he joined the United States Air Force on February 25, 1954 and remained in the Air Force for 20 years, rising to the rank of Master Sergeant before being discharged on September 1, 1974. He was assigned to Airborne Missile Maintenance Squadrons in Limestone, ME; Rome, NY; Goldsboro, NC; Aguadilla, Puerto Rico; Rapid City, SD; and, Albany GA.

On June 15, 1957, he married Loretta Mae Burns in Andover, New Brunswick. They were blessed with three children, John, Judy and Clifford, Jr.

After his Air Force and then civil service careers, RW Bro. Boaz retired to his beloved Aroostook County where he spreads his light, caring and enthusiasm outside of the Masonic Temple walls, by singing at the Limestone United Methodist Church and also frequently at nursing homes and other gatherings of senior citizens who are as happy to have him entertain them as are his Masonic Brethren. He has also been an active volunteer at the Veterans Home in Caribou. Being active in church reflects his roots, as his grandfather William M. Boaz, a member and the Chaplain of Penobscot Lodge in Dexter, and Uncle L. Rodney Boaz were ministers. His grandfather was educated at the Bangor Theological School, now the home of the Bangor Masonic Center.

Following the Masonic steps of both of his grandfathers, RW Bro. Boaz was initiated, passed and raised to the sublime degree of a Master Mason in Triangle Lodge #708, Albany, Georgia, in 1966. He affiliated with Limestone lodge #214 in the First Masonic District in 1981 where he has served on various committees, such as Widows, Care and Share, Mentoring and CHIPs, for which he was the District Resource Coordinator. He rose through the chairs of Limestone Lodge and was twice elected Master, first in 1985 and again in 1999. He has also faithfully served the Grand Jurisdiction as District Education Officer in 1997, District Ritual Instructor in 2000, and the Grand Lodge CHIPs Committee from 2007 through 2012, and was appointed Assistant Grand Lecturer in 2016.

Within the Craft, RW Br. Boaz can always be counted upon for promoting the brotherhood and its various traditions. He is a great mentor and for years has been found at most schools of instruction. He was responsible for producing the programs handed to people attending special events at Limestone Lodge and is appreciated for sending Masonic birthday cards to celebrate the anniversary of a Brother's raising; cards are personalized to the recipients and are the prized possession of each Brother.

He has assisted the District Deputy Grand Master by serving as the acting Grand Marshal and by singing the odes to the Master and Wardens at officer installations.

He manages the District website and calendar, and also sends out notices of District events.

Every regular and well-furnished lodge has a Boaz...the pillar of strength. Limestone #214 is honored to have two of them.

My Brother, for all you have given and continue to give in service to your country, community and fraternity, it is with great pleasure that I present to you the Simon Greenleaf Medal for Meritorious Service.

Grand Master of Masons in Maine

May 1, 2018

Report of the Committee on Finance

In Portland, May 1, 2018, to the Most Worshipful Grand Master, Past Grand Masters, Grand Lodge Officers, permanent members and members of the constituent lodges, following is the annual report of the Committee of Finance.

In accordance with the Grand Lodge Constitution, the financial records of the Grand Lodge, for the fiscal year ending March 31, 2017, were audited by the public accounting firm Macpage LLC. The records of Grand Lodge were found to be in order. Quoting from the audit report: "We have audited the accompanying financial statements of Grand Lodge of Maine Ancient Free and Accepted Masons, which comprise the statements of assets, liabilities, and net assets – modified cash basis as of March 31, 2017 and 2016 and the related statements of revenue collected, expenses paid, and other changes in net assets – modified cash basis..." And, "In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Grand Lodge of Maine AF & AM as of March 31, 2017 and 2016 and its revenue collected, expenses paid, and other changes in net assets for the years then ended, on the modified cash basis..."

Our committee has examined the warrants created by the Grand Secretary for payment of Grand Lodge expenses by the Grand Treasurer and found them to be in order.

Regarding the budget for the current fiscal year, projected revenue is based on the per capita tax staying at \$14.10. Per capita assessments for the Maine Mason publication and The George Washington Masonic National Memorial Association, which are set by Sections 74.3 and 74.4 of the Constitution, will remain at \$2.00 and \$1.00 respectfully. However, please note that there is a possibility of an increase in the per capita tax next year. It has been seven years (2011) since the last increase in the per capita tax and declining membership forces consideration of any increase. Per section 74.2 of the Constitution any increase is limited to ten percent of the

previous year's tax; consequently, any increase would not exceed \$1.40 per member. This year's budget is based on membership of 16,400.

Anticipated revenue for the year totals \$317,040 with \$49,200 being dedicated to the Maine Mason and George Washington Memorial, leaving \$267,840 for the operation of Grand Lodge. Revenue does include a transfer of \$28,700 from the investment accounts. Withdrawal from the investment account is base on three and one half percent of the rolling five year average of total value.

Projected expenditures for this year total \$396,339, including shared cost with the Charitable Foundation of \$99,015. Estimated Grand Lodge expenses after being reimbursed by the Foundation are \$297,324. Because of the increases given last year, the salary of the Grand Secretary and Grand Treasurer will remain the same. Staff wages are increased by approximately five percent. Per the lease agreement rent for the Grand Lodge office increases five percent. Grand Lodge office operations are budgeted at \$27,800. Grand Lodge officer expense is projected to be \$36,000. Cost of the Annual Communication is estimated at \$30,000. Committee budgets total \$39,500.

In summary, the 2019 budget includes expenditures estimated at \$297,324 and anticipated revenue of \$267,840. It is proposed to use \$30,000 for unused appropriations to balance the budget.

We sincerely want to recognize the efforts of the office staff, Theresa and April for their efforts throughout the year in keeping the Grand Lodge office running smoothly.

Also, thank you to Dan Bartlett, Grand Secretary and Scott Whytock, Grand Treasurer for their contributions to the operation of Grand Lodge. We are fortunate to have them in their respective positions.

We move the per capita tax for the fiscal year 2019 be set at \$14.10.

We move the acceptance of the proposed 2019 budget as presented.

We move the transfer of \$20,000 from unused appropriations to the 200th anniversary fund.

Reports Not Read at the Annual Communication

Maine Masonic College

To the Most Worshipful Grand Lodge of Maine:

I am happy to report that the Maine Masonic College is alive and well and is prepared to face another challenging year.

The Celebration of the Arts and Sciences to be held on May 19, 2018 is in the final stages of preparation and should be very successful. The central topic of this presentation will be Gothic Architecture (it being the physical rendering of geometrical theory) and we will receive that presentation at All Souls Church in Bangor where we will not only hear about our special topic but also be surrounded by it.

Maine Masonic College courses and presentations are currently set up (barring necessary amendments) through the end of December 2018 and Convocation, to be held in October, is also well advanced in its preparation. The overall theme of the Convocation will be civility and our key note speaker, Most Worshipful Brother Russ Charvonja, Past Grand Master of the Grand Lodge of California, has been booked. MWBr. Charvonja has spent a great deal of time making himself an expert on the topic of civility and his presentation will be above and beyond most people's expectations.

The reason I begin this report by looking into the future instead of discussing the past is to emphasize the living nature of the Maine Masonic College. The College has no distinct start or stop point in time where it shuts down and restarts as something new. To be effective the events that are put on by the College must be reviewed to assess where improvements can be made and new events need a great deal of lead time in order to put in place all the logistics necessary to make these events happen. At the same time current events must be carried out and supported to the best of our abilities. This is not unlike a man who must take stock of where he has been and what he has learned, consider where he is presently and what

he is doing and then deciding if he is on track to get to the future he has planned for himself.

However, the past does need to be examined for the sake of accountability if nothing else.

During the past year the Maine Masonic College scheduled 24 presentations around the State of Maine. We had to overcome weather, sickness and leaves of absence to once again provide Maine Masons and their friends and families a wide variety of educational packages. We have also continued to attempt to place these offerings in as wide a geographical area as possible. This is not new but it is consistent. We did it two years ago, again last year and we are well advanced into next year with plans to continue what we consider to be our core program.

Our Convocation held in October, 2017, turned out to be a very special day. The program for the day was themed around the American Civil War. Our guest speaker was Most Worshipful Brother Michael A. Halleran, Past Grand Master of the Grand Lodge of Kansas. He is the author of the book "The Better Angels of Our Nature, Freemasonry in the American Civil War". He proved to be both knowledgeable and entertaining as he carried his audience through story after story from the Civil War era and told of the roles that Freemasons played during that time period.

Our Astronomy program at the University of Maine in December was once again very successful and continues to help cement the relationship we have built with the University. We are currently planning to double this program in 2018 by continuing the program at U. of M. at Orono and starting a sister program at U.S.M. in Southern Maine.

Along this theme of special offerings, we are currently developing plans to have two half day sessions, one at U. of M. and one at U.S.M., featuring Liam Riordan and his Maine Bicentennial lecture. Liam Riordan has been a good friend to the Maine Masonic College over the years and this event will further cement our relationship with the University of Maine. This project is very timely and should attract attendance from many who might otherwise have remained at a perpetual distance.

As I stated before, it can be difficult separating what has happened from what will happen in an organization as dynamic as the Maine Masonic College.

We have continued to support the Honors Class at the University of Maine by contributing financially to their Honors Class Reads program. We also show our interest in them and their efforts by inviting them to come to the Celebration of the Arts and Sciences and explain to us what they are doing for their Honors Theses.

Also among our outside connections, once again this year Most Worshipful Brother Walter MacDougall rounded up many of our Board of Regents and faculty to assist as judges at National History Day. This is a very worthwhile project which is highly volunteer dependant and is strictly youth based.

Administratively the College has been busy as well. Our By-Laws have received a complete overhaul. Our Certificate program is getting a facelift due to new course additions . A new and modified version of the Certificate program will be available soon. Also the staggering of our Board of Regents chairs as to their service time is being reviewed to ensure there will always be a continuity of purpose as those positions change hands over the years.

It is now time to thank all of those who make these things happen. The Maine Masonic Charitable Foundation has been the source of our financial backing and there is neither a way nor appropriate words to truly express our gratitude. What we can do we are already doing in that we stay within our budget, we try not to ask for more and we do all in our power to provide the Foundation with “good bang for their buck”.

The Board of Regents has once again been faithful and purposeful in keeping this operation moving forward. Video conferencing with Zoom technology proved invaluable in getting strong attendance at our ten meetings last year. The dedication of the Regents is very much appreciated.

The faculty of the Maine Masonic College are its backbone and this backbone stands tall and straight. Bringing tried and true material to the table would be enough to receive generous thanks but this faculty also brings new material on demand, goes everywhere we send them (some travel the full length of the State for a lecture) and step up and step in at a moment’s notice to replace a sick colleague. Thank you for your steady effort.

The Most Worshipful the Grand Master, Most Worshipful Brother Thomas Pulkkinen and the Deputy Grand Master, Right Worshipful Brother Mark Rustin have been faithful supporters of the Maine Masonic College and the College would like to express their appreciation. Right Worshipful Brother Rustin in particular has, in addition to his other duties with the Grand Lodge, regularly assumed a large leadership role both with the Board of Regents and within the Faculty. Thank you both for your support.

Finally a special thank you to Theresa Hatch for hours and hours of faithful service, in sickness and in health. The owner can buy, the architect can design, the inspector can criticize but someone has to saw the boards and hammer the nails to make a building appear. Theresa is our carpenter and she does a fine job of it. Thank you Theresa.

Finally I would like to thank everyone who has taken the time, or will take the time to participate in the College’s events. No matter how much light you put in an empty room, no one gains from it. Through participation we all succeed.

Sincerely and fraternally,

R. Wayne Hitchcock

To the Grand Lodge of Maine:
Subject; Annual Report 2017/18
From; The MEALS Committee

Education has greatly improved this past year through the hard work and innovation of our DER's. They have taken on the challenge of bringing new and more interactive programs to their Districts and Lodges. This forward thinking has made the Symbolism of our craft become more front and center in the talks and programs delivered. Having talked to many of the DER's at their District meetings and over the phone. I have found them to be enthusiastic about sharing the meaning of Masonry to the Brethren. Their Leadership is an integral part of our future and should be recognized and applauded. They have truly carried the Light for all of us.

The Dirigo Leadership Seminars have been well received by those in attendance. There have been three Seminars this year with interest for more next year. This has been made possible. By the hard work and Leadership of Jeff Sukeforth. Who single handily put on these. His dedication to the Education of our Brethren has shown how far one Brother is willing to travel to bring Light to another. He has been an inspiration to me and I feel he deserves our Thanks for his hard work.

Committee on Doings of the Grand Lodge Officers

To the Most Worshipful Grand Lodge of Maine:

The Committee on Doings of Grand Lodge Officers has reviewed the reports of all officers and committees required to file reports and offer this summary.

The Committee on Doings of Grand Lodge Officers complements the Grand Master and his Officers for the completion of a very successful year.

The Grand Master and his Elected Officers this year have again proven that their primary obligation is to the craft within this jurisdiction.

We commend the Grand Secretary for his careful attention and dedication to the duties of his office. The Grand Secretary has been in this position for a year now and seems to have the Grand Lodge office and staff all working together efficiently. This task has not been easily completed in the short span of only one year and he as well as his staff should be applauded for his efforts.

The Grand Treasurer has also shown careful attention and dedication to his office. He has taken a very difficult job and converted it to his own format. This system seems to be working very well as is reflected in the Finance Committee's Report.

The District Deputy reports seem to vary greatly in length and format. In prior years a certain format has been used for these reports, they covered such items as administration, ritual, education, lodge activities etc. It is unknown to this committee if this format is still in use as many reports were not submitted to this committee. At the time of this report only 11 D.D.G.M. reports have been submitted to Grand Lodge with 4 (dist. 2-5-6-18) of those actually getting to this committee. This made it much harder to compare than in the past. In speaking with April at the Grand Lodge office she stated that many reports are still submitted in paper form. When this is the case the person submitting this report should also send a copy to this committee. Said reports are a necessary and important part of a district deputy's duty. This being said, many District Deputies did complete their duties to the high standards set forth by the Grand Lodge of Maine.

Most Worshipful Thomas Pulkkinen has also completed his first year with the grace and dignity that many of the Past Grand Masters of Masons in Maine have displayed. The position of Grand Master is an extremely difficult position to hold under any circumstances, and the Most Worshipful Grand Master has done it with ease.

The issue of the timely submission of reports by many of the officers required to do so is still an issue. Late submissions and the ability for this committee and others to receive the reports as soon as they come in, needs to be addressed. The members of this committee have served together many years and it is their opinion, that the timely submission of these reports is directly affected by the effort the Grand Master. However sometimes not even the best efforts of the Grand Master can accomplish this task.

This committee is aware that e-mails were sent by the Grand Master to all officers required to submit reports as well as some personal contacts that were made. The lack of 13 reports at this time in the Masonic year although unacceptable is a lower number than in most years.

Many of the programs initiated in past years such as Bikes for Books, Mentoring and the Rookie Award Program still seem to be a mainstay of all Grand Master's programs. This along with new programs such as the Masonic Excellence Award seems to be keeping the fraternity is the focus of the public.

It is the recommendation of this committee that it is stressed to all officers required to do so to submit their reports on time and that they be immediately forwarded to the Committee on the Doings of Grand Officers. We recommend that this report be referred to the appropriate committees for their review.

Grand Treasurer

May 2018

Most Worshipful Thomas E. Pulkkinen and the Grand Lodge of Maine

The 2017-2018 Masonic year saw many highlights for the office of the Grand Treasurer. The duties of the Grand Treasurer are split fairly evenly between the duties to the Grand Lodge of Maine and the Maine Masonic Charitable Foundation. The finances for the Foundation owned Holden Masonic Associates as well as the Maine Masonic College are also part of the responsibilities of this office.

Grand Lodge Budget: For the Grand Lodge of Maine, we once again saw a continued adherence to a well-crafted budget created by the Grand Lodge Finance Committee and related parties. The Finance Committee receives a monthly financial package with some commentary highlighting items of note for their review. The Finance Committee Chair and/or its members often have questions or points of clarification to ensure that the transactions processed are accurately understood and reflected.

Charitable Foundation Budget: The Foundation Finance Committee has again this year seen an increase in number and dollar value of matching grants offered by the Foundation. The popular and nimble Brotherhood Relief grant continues to grow as it has been made use of to give speedy \$500 relief to those in need. Masonic relief has seen roughly the same number of relief applications this year yet the distribution committee involved with relief has seen some very complex cases. The Trustees and Finance Committee remain committed to supporting this line item due to its commitment to assisting a worthy brother in need. The Foundation's investment assets are substantial and produce much of the Foundation's operating income, but we're continuing to see a healthy level of donations to the Foundation to help stay within IRS limits on fund raising amounts. This is mainly led by the Grand Master's Annual Appeal as well as some notable bequests that were given to the Foundation this year.

200th Anniversary: Preparations continue in anticipation of the 200th anniversary of the Grand Lodge of Maine. Challenge coin sales continue in order to raise funds for plans being made for the 200th. These funds are held separately for accounting purposes for future spending for the 200th celebration with more fund raising to come.

Insurance: The insurance program through the Grand Lodge continues to expand. We're seeing more lodges who are finding cheaper and better coverage in this program than their old providers. We're also seeing quality brought to the system by ensuring that buildings are covered properly.

Investments: The 2017 calendar year and into 2018 was productive from a growth standpoint causing the investment balances to further climb. The Grand Lodge and Charitable Foundation investment funds managed by HM Payson have been handled with the utmost care and skill. Investment committees for both entities have been

continually pleased with the investment policies and performance relative to the major markets.

Maine Masonic College and Holden LLC: Prudent financial controls continue to be brought to each entity as they continue under the care of the Grand Treasurer. By incorporating these entities into the same reporting process as the Grand Lodge and Charitable Foundation, they all receive the same approval, warrant and transmittal system, budgeting, and general processing.

Audit: Both the Grand Lodge of Maine and the Maine Masonic Charitable Foundation and their associated entities were audited by the accounting firm MacPage located in South Portland. Both organizations received a favorable audit result and highlighted suggestions have been considered by the Grand Treasurer and related Finance Committees. Each organization previously negotiated a three-year commitment between themselves and MacPage in an effort to obtain more favorable pricing. This negotiation period will end next year and we will again entertain the option of seeking other audit proposals.

Respectfully submitted,

Rt. Wor. Scott Whytock

Grand Secretary

May 2018

To the Most Worshipful Grand Lodge of Maine

Having completed my second year as your Grand Secretary I can report to you that your Grand Lodge office, which handles communication and administrative support for the Grand Lodge of Maine, the Maine Masonic Charitable Foundation and the Maine Masonic College is functioning smoothly and responsibly for the benefit of the Craft.

Our most important asset in operating the Grand Lodge office is the staff. Theresa Hatch and April Cruz continue to be the backbone of the operation and honor their commitment to provide the best customer service possible within our capabilities. In addition, our Grand Treasurer, Brother Scott Whytock is a vital link in our efforts here and his willingness to help and motivation to get the job done continue to make this team effort as successful as it is.

Over the past year, we have continued providing the routine support services to our lodges and brethren which include MORI database assistance, dues cards, diplomas, billing for insurance and Bikes for Books, preparation of over 400 fifty year medals, review and processing of Annual Returns, annually preparing, reviewing and arranging for printing and shipping of the Masonic Directory and the Proceedings of

the Annual Communication, processing of over 200 Foundation matching grants, tracking hundreds of donations a year, setting up and tracking Maine Masonic College classes and the myriad other duties that we gladly accept as our responsibility to help lodges be as successful as they possibly can be.

We are keenly aware of our responsibilities here and we constantly encourage brethren of this fraternity to make use of the services we offer including the phone call to answer a Constitutional question, MORI access issues or the email asking for our help when things aren't going well.

Finally, all of us here in the office truly appreciate your support, kind words and encouragement. It is our pleasure to serve all the Brethren of this Fraternity.

Report of the Grand Librarian

Report of the Grand Librarian & Museum Curator 2017-2018

Most of you will remember the line from the movie *Field of Dreams*: "If you build it, they will come." Well, we built it but, sadly, they haven't come....

We, as well as the Town of Holden with their then-new Town Manager were excited about our plans to expand the Library for use by the surrounding communities. Now, after a lot of attempts at publicity of various kinds, we've come to accept the fact that Holden and its environs are very much bedroom communities. People in the area go elsewhere for goods and services. While we're still centrally located for the Craft's business, the Library has been greatly underused – and that's putting it mildly.

Simultaneously, we've been fighting the wave of online reading, learning, writing, -- everything. Why go to a library when you can order a book for your Kindle or Nook in your pajamas at midnight and never have to return it (as well as take all the notes you want in the – albeit electronic – book itself)? You can compare what

you're reading or might want to read with other similar books and decide which is best for your purposes, and your choice is essentially unlimited.

Along with that are the unfortunate statistics that few men read – and men over 55 hardly read at all. Look at our demographics and you can see that the expense of trying to support a broad, general library for just a handful of our members and a dozen town-folk is really not a sensible use of the Craft's funds.

So what to do? Well, the one thing that we don't have at the Grand Lodge Administrative Office right now is an accessible meeting space. After discussion, it was agreed that downsizing our library collection and putting in tables and chairs would be far more beneficial both to our own members who can't make it up and down the stairs and as an additional meeting place for community groups.

Starting soon, we'll be eliminating our fiction collection (except books by library benefactor Stephen King and fictional books featuring Freemasonry such as 'The Lost Symbol'). We'll cut way back on our non-fiction section as well, keeping only a few books which would most likely be used. Our section devoted to Community and Personal Betterment will stay but the many business and computer books (essentially unused and almost all donated by yours truly) will find another home. And, sadly, our pride and joy, the children's section, will give way to other uses as well. Freemasonry and related subjects will stay and continue to be amplified. These categories do get used, although far less frequently than we would like.

Finally, we'll be encouraging members to take advantage of our on-line catalog and the opportunity which we've had for many years of receiving books thru the mail.

Those who truly love books hate to see even a single volume 'go away' but we are in changing times and the electronic book revolution is rapidly driving brick and mortar facilities out of existence. Change is difficult sometimes – but change we must if we are to remain relevant in the coming days. We'll keep you posted as things move forward!

Report of the Grand Lodge Auditor

MACPAGE Accessible Approachable Accountable **Independent Auditors' Report**

To the Finance Committee
Grand Lodge of Maine Ancient Free and Accepted Masons
Holden, Maine

We have audited the financial statements of Grand Lodge of Maine Ancient Free and Accepted Masons (the Organization) for the year ended March 31, 2018 which were prepared on the modified cash basis of accounting, and have issued our report thereon, dated July 16, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you, dated March 30, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Grand Lodge of Maine Ancient Free and Accepted Masons are described in Note 1

to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended March 31, 2018. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the fair values of financial instruments is based on management's evaluation of each type of instrument and the quoted market prices of each type. We evaluated the key factors and assumptions used to develop the fair values of each financial instrument in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of Investment Securities in Note 2 to the financial statements, which has been formulated using fair values of investments from third party reports.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations We have requested certain representations from management that are included in the management representation letter, dated July 16, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements, or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the consolidated financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the modified cash basis, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Recent Accounting Pronouncements

In August 2016, the FASB issued ASU 2016-14, Not-for-Profit Entities: Presentation of Financial Statements of Not-for-Profit Entities, to amend current reporting requirements to make several improvements, including reducing

complexities of information presented within Not-for-Profit financial statements. A main provision of this update is that a Not-for-Profit entity will report two classes of net assets (amounts for net assets with donor restrictions and net assets without donor restrictions), rather than the currently required three classes. The guidance is effective for the Organization's year ending March 2019, with early application permitted. This standard requires retroactive application to previously issued financial statements for 2018, if presented. Management is currently evaluating the impact of adoption on its financial statements

Contributions Received and Contributions Made

In June 2018, the ASB issued ASU 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This update is to provide guidance for not-for-profit entities in evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) or exchange (reciprocal transactions) and determining whether a contribution is conditional.

In general, this update is effective for annual periods beginning after December 15, 2018. Early adoption is permitted.

Management will be evaluating the effects of this update on its financial statements.
